## Standing Committee Reports:

### **Archery, Ted Pitt:**

Archery looks great! Mark mentioned that there are a few spots where some wood needs to be removed.

### **Trap & Skeet Ted Pitt:**

Shotgun is going well. The pattern board fence is backup, but we still need to replace one more post.

We have our first bunker shoot of the season on April 4th.

The wood pile area looks awesome after the work party.

### **Rifle & Pistol, John Gerhard:**

Ranges are looking good. The rifle range 50 yd, 100 yd and 200 yd target frames are updated. The new frames show legs forward to discourage shooters from stapling targets over the legs. Exposed rocks have been removed on rifle and pistol range berms. The short pistol range and rifle 50 yd and 200 yd berms were refreshed with wood chips. The red safety line on the rifle range has been refreshed with a red 4" adhesive tape based on a suggestion by Don Miller (CMP). If it wears well with foot traffic, it will be used on the pistol range. The work party really helped finish cleaning up the ranges.

Brass collection: February - 356 lbs.; March - 328 lbs.

Consumables: monthly average remains low for all target systems.

March Range Visits: Total Visits: 905; Members: 644; Guests: 64; Non-members: 197; After Hours: 8.

Note: Range closed 3 days due to snow and work party.

**Grounds, LaMarr Hood:**

First week, we checked out the retrieval system. A new shooter hit and broke a cable. Finalized plan for four new systems which was approved by the BODs. Replaced new target holders at the 50yd line and Gary dressed up berms 50 and 200 and Dale continues wiring the R&P office and is almost completed with this portion of the remodel. Brass was sorted and general clean up.

Then the wind, rain and snow. Scott and Karl Karlson cut up and removed the tree and limbs that worked over the bay 2 loading bench, while denting the berm and finishing in bay 3.

Work party held Saturday 28th. with good weather, we had 66 participants sign in. With lunch provided, thanks to Georgia, a good time was had by those who came out. Lot of old and new work projects were worked on and most completed.

Your help was very much appreciated,

Quick note to anyone who didn't sign in, please let me know.

Thank you all from the Board of Directors

LaMarr Grounds Chairman

## **Old Business:**

1. Rifle range office remodel is still in progress. Estimate is 1 to 2 weeks.
2. A member asked about the NRA safety officer class.

3. Scott Johnsons request to purchase four tables for the action bays used for action bays.  
*Decision:* No decision
4. Pinto's Guns requested to use the clubhouse and range for their company shoot. They are hoping to hold it August 22 from 10am-6pm. They would like to use the clubhouse starting about 5pm for set up. In the past the club has given them lanes 3 - 9 on rifle and 1-4 on pistol.  
*The board decided the following for August 22:*  
*They may reserve stations 1-4 on pistol.*  
*They may reserve stations 3-7 on rifle - normal rules apply, no rapid fire.*  
*They may rent the clubhouse for dinner, starting setup at 5:00 p.m.*

## **Safety Items for February:**

1. John recovered pieces of binder clips on the roof of the pistol range. Chips are being spread on the impact berms. We will continue to monitor the effectiveness of the chips.

## New Business:

### 1. Rangemasters:

John Ramirez resigned on March 18<sup>th</sup>.

Clayton Crum began his paternity leave on April 1 and does not plan on returning (plans on becoming a police officer).

Jonah Stoner has submitted his resignation and will be leaving at the end of April to join a humanitarian mission in Ukraine.

On a brighter note, we have welcomed two new rangemasters to our team. Paul Clark started on April 1, and Sean Merrit will join us on April 8.

We are still seeking another rangemaster. The position is posted on Indeed, and we are receiving strong applications from qualified candidates whom Ted has been interviewing.

### 2. Scott Johnson made a request to allow IDPA to start at 8 am on October 11 - 17 for the IDPA Regional Match.

**MSP** – to allow a 9:00 AM start

### 3. Scott Johnson requested the use of the pistol range for the Regional IDPA Matches.
